

Step 1:

- Print this PDF on a DIN A4 sheet, please note that your printer prints it in "actual size" or in 100% scale
- Cut it along the dotted lines

Step 2:

- Place the cutted bracelet loosely around your wrist
- Now you can read the size

Step 3:

- Go back to www.Lumboak.com and order your watchstand

You are between two different sizes? Just take the bigger one.

If you are a little under XS or over XL, it's not a problem, you can just take the closest one.
